

Reference : C26-L108	Role : Live-in Carer / Driver
Type : Live-in	Duration : 2 weeks on / 2 weeks off
Location : Surrey (Countryside location)	Salary : £180 to £240 / day
Start : November 2026	

Job Description

Two skilled live-in carer/drivers are required to support a 90-year-old female client in a countryside home. This is a self-employed rotational role and may suit candidates seeking a longer-term placement.

The client has mobility and balance issues, so experience supporting someone with these needs is essential. The carers will work 2 weeks on / 2 weeks off, alternating with each other so that continuous support is maintained. Driving forms an essential part of the role, alongside personal care and day-to-day assistance.

You will work closely with your rotational partner to ensure a smooth handover between shifts, and provide calm, reliable support in a rural setting.

Key Responsibilities

- Providing respectful, dignified personal care and companionship
- Supporting day-to-day routines for an elderly female client with mobility and balance issues
- Assisting safely with mobility, transfers and fall-prevention awareness
- Driving the client to appointments, outings and local errands as required
- Helping with household assistance as needed in a countryside home
- Working collaboratively with the other rotational carer
- Maintaining clear handover notes and communication between rotations

Key Requirements

- Experience as a live-in carer supporting elderly clients
- Proven experience supporting clients with mobility and balance issues
- Full UK driving licence and confidence driving in rural areas
- Confident with personal care and day-to-day assistance
- Patient, compassionate and reliable, with good communication skills
- Able to work well with a rotational partner
- Valid DBS check and excellent references
- Right to work in the UK
