

Reference :	H26-L104	Role :	House keeper / Nanny
Type :	Live-in	Duration :	Permanent / Part time
Location :	Belgravia, London	Salary :	£20,800 (PAYE)

Job Description

A professional and experienced Nanny Housekeeper is required for a busy private family home near Belgravia. This is a part-time weekend position offering £20,800 per annum. The role combines attentive childcare support with high-level housekeeping duties in a fast-paced, multi-floor household. The successful candidate will be energetic, organised, and comfortable working in a dynamic family environment with a high level of independence and the ability to integrate smoothly into an established household routine

Key Responsibilities

- Supporting children's daily routines, supervision, and preparing simple meals when required
- Maintaining the home to an exceptional standard of cleanliness and organisation
- Carrying out detailed housekeeping with strong attention to presentation and hygiene
- Managing laundry, including children's clothing and household linens
- Excellent ironing and careful wardrobe management
- Ensuring household organisation across multiple floors
- Working collaboratively alongside a small household team
- Keeping pace with a busy, fast-moving family environment
- Maintaining discretion and professionalism at all times

Key Requirements

- Experience with discerning clients with exceptionally high standards and expectations.
- Previous experience as a Nanny, Housekeeper within private households
- Strong housekeeping and ironing skills with exceptional attention to detail
- Confident working independently and able to manage tasks without supervision
- Calm, trustworthy, organised, and proactive
- Physically fit and comfortable using multiple flights of stairs daily
- Professional attitude regarding mobile phone use during working hours
- DBS check, strong references, updated CV, and proof of right to work in the UK

Key Points to note

- You must have the right to work in the UK without sponsorship
- The property is a multi-floor home requiring regular movement between levels
- The household operates at a fast pace and requires high energy and efficiency
- A family dog is present in the home and will be part of your duties.
- During initial training/trial period accommodation is shared.
- 10 hour shift with two 1 hour breaks.
- Flexibility may be required, in particular during training.
- The position is PAYE / payroll based not self employed.
